BRICKS Catalogue 2025

About Us

We are a forward-thinking brick manufacturing company based in Dehradun, Uttarakhand, dedicated to providing high-quality, durable bricks for the construction industry. Our products are crafted using robust, time-tested methods combined with modern technology to ensure strength, consistency, and reliability.

With a strategic location, an expert team, and a well-equipped manufacturing setup, we are well-positioned to meet the growing demand for premium construction materials across North India.

RAM BRICK INDUSTRIES PVT LTD BY VASUDEV
